Dear Mr. Rainwater:

Congratulations on receiving the Golden Plate Award from the American Academy of Achievement.

I have had the pleasure of participating in the Academy's Salute to Excellence Weekend for a number of years. Few experiences are more inspirational or rewarding than talking to and sharing experiences with the brilliant young scholars from high schools around the country who will be involved in molding the future of our Nation.

By being selected to receive the Golden Plate Award and participating in the festivities, you have provided encouragement to these young achievers to pursue their dreams and to excel in whatever fields they have chosen. Thank you for the inspiration you provided to these exceptional young people.

Sincerely,

William S. Sessions
